## Read Beyond the Beaten Path

### Summer Reading Program

Ages 0-8th grade

June 11th-July 7th

Our program will look a little different this year. We will be including handwriting, math and science bonus material in addition to reading. Our bonus material is optional, but we hope to help kids prevent the summer slide in all areas. These areas will include weekly incentives separate from our reading program. Ages 0-5 will read 10 books a week. Ages K-8th grade will read 100 minutes a week. Read Beyond the Beaten Path will focus on the great outdoors and survival skills.

### Old Church Lights

When our ceiling was replaced this winter, we had to remove the old light fixtures in the library. These were the lights that had hung in the church.

Anyone who is interested in the lights can stop by the library and ask for Anna. We are asking for a \$25 donation per light to be used towards our new private study room.

### Easter Egg Hunt
