Book and a Movie for all ages

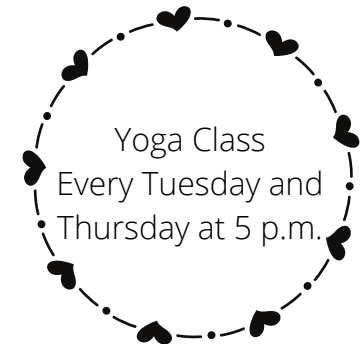

We have paired up several books and their movie. They will be on display in the library. Read the book first and see how well they put it to film!

Community Room

We have changed our rental agreement, but our Community Room is now available to be rented at 25% capacity. If you need to rent our space please stop by or call us.

Daycares

We are currently still not able to offer regular storytime. However, if you are a daycare provider and have a group of kids who need a change of scenery, please contact us! We will set a time to have your group at the library for a brief program and story. Our staff will practice Covid guidelines while your kids enjoy the library.

You can now check out jigsaw puzzles and games! We can't seem to keep them on the shelf, they are all very popular! Some of our games include: The Oregon Trail, Trekking the National Parks, Charades for Kids, and Way Back When in History
