

January and February 2024

Rise and Shine with Storytime

January 10th: Join us for dog and puppy stories!

January 17th: Brrrr....it's cold outside with Polar Bears!

January 24th: The Day the Crayons Quit and more crayon stories and activities

January 31st: What is Groundhog Day?

February 7th: Fun in the Kitchen! Being in the kitchen is fun. Today we will make a snack.

February 14th: Valentines Day

February 21st: Even superheroes take a bath!

February 28th: Library stories at the library- Let's celebrate why we all love the library!

Need a library card? We can help you. Stop in and get your library card. A library card gives you unlimited access to all of our books and other resources and also allows you to check out books from 419 libraries across the state! Having your own library card also gives you access to digital media on Hoopla and Boundless.

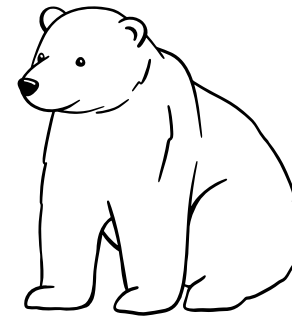

There is now a Zumba class being held at the library twice a week. Be sure to watch Facebook for the schedule or feel free to call the library!

Did you know??

The average polar bear weighs between 900-1600 pounds?

Forrest Public Library Polar Bear Challenge

Help us read **900** books for a **900** pound polar bear during January and February! We will keep track of every book read from Forrest Public Library. Be sure to stop in and get a good start reading this year!

We need help decorating the library for our Polar Bear Challenge! Supplies will be provided to make snowflakes to hang in the library. Stop in anytime to make as many as you would like!
