## UNIQUE OPPORTUNITY FOR FORREST PUBLIC LIBRARY

The Illinois Holocaust Museum and Education Center will be lending the library their Traveling Virtual Reality Trunk. The trunk will include a virtual experience through the eyes of Holocaust survivors in the locations that they took place.

This program will be best suited for teens and adults. We will announce a time and date as soon as we are able to do so. The trunk should arrive July 19th. Once received, we will put together a program and announce a date.

## READ TO THE LIBRARIAN

Bring your kids up to read to the librarian anytime now until school starts. When you catch the librarian in the library your child can show off their reading skills and practice reading aloud. Our treasure box will be full for each reader to grab a prize for their efforts!

## PHONE NUMBERS

We are back to remembering our phone numbers! It's important for our youngest patrons to know their parents' full names and a phone number. Practice at home and bring them up to tell a librarian and get a treasure box prize!
