

October 2020

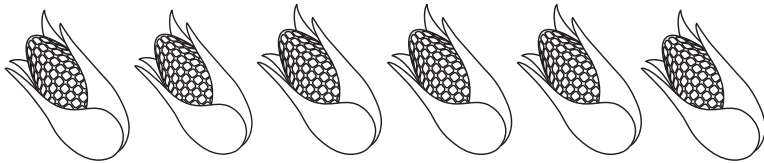

News from the library:

Please stop by and ask about Axis 360. This program allows you to read and listen to digital content anytime, anywhere.

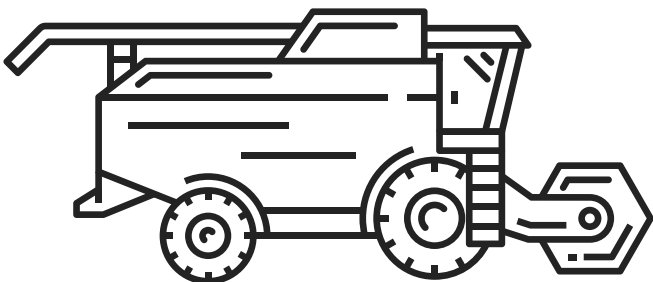

We need your help! We are working on a large picture by number poster. Each time you check out a book you can add a sticker to the poster. There are over 7,000 stickers that need put up to unveil the mystery picture!

Have you stopped in lately? Come check out our new giant wall clock and adult book self.

There are so many new books and movies coming in right now. If there is anything you are interested in finding we'd be happy to help or order it for our library. Please let us know!

Please be mindful of our hard working farmers this harvest season. Stay safe on the road and respect their time and equipment.
